

# 2021 OBOA ANNUAL BUSINESS MEETING (ABM) & WORKSHOP

———— JULY 21-23 ————

*register today | attend from the comfort of your home or office!*

Our annual fantastic leadership conference with colleagues and industry experts!

**keynote | awards | breakout roundtables | news & updates**

OBOA Members and Colleagues:

You are invited to attend the industry's best leadership program created just for you, our respected building safety professionals.

This year's annual business meeting will be presented virtually for hopefully the last time! We will again offer our popular Pre-ABM Workshop "Mass Timber and the IBC" on Wednesday, July 21, and this year we are proud to announce it has been sponsored by the Chemeketa Chapter of the ICC! Earn valuable ICC PPP CEUs and support the student chapter all in one!

The Annual Business Meeting's highly-anticipated "Opening Keynote: Conscious Communication to Bring Out the Best in People" is a hot topic on everyone's mind. Dr. Rick Brinkman is a sought-after professional speaker who is also entertaining and FUN! On Friday, we'll close with prized one-on-one time in breakouts, the perfect opportunity to truly network online and have small group discussions with peers. Don't forget to submit an award nomination for our prestigious Awards Program, recognizing the amazing work our members provide. It's a full agenda – don't miss out! See you there!

In Service,  
Your OBOA Board of Directors

### Wednesday, July 21

9:00 am – 4:00 pm  
30-minute lunch break

#### **Pre-ABM Workshop: Mass Timber and the IBC**

Presented by ICC Instructors: John "Buddy" Showalter, PE and Sandra Hyde, PE

**Workshop Sponsored by the Chemeketa Chapter of the ICC (CCICC)**

This course will provide an overview of mass timber which includes any product currently permitted for use in Type IV (heavy timber) construction such as cross-laminated timber (CLT), structural composite lumber (SCL), glue laminated timber (glulam), mechanically laminated decking (aka nail-laminated timber, NLT), and large section sawn timbers. NLT, glulam, SCL, and solid-sawn timbers have been adopted in the International Building Code (IBC) and utilized throughout the world for several decades on a wide variety of buildings. Learn what's new in 2015/2018 IBC for Mass Timber Construction as well as an overview of Tall Mass Timber Construction per the 2021 IBC. Topics include heights and areas, construction fire safety, fire and connection design and special inspection, with Tall Mass Timber Construction in accordance with the 2021 IBC will be discussed.

This workshop registration is separate from the ABM; you can register for one or both events. There is an ICC-required workbook for this course (\$25), distributed as a code for individual download. Attendees also receive a PowerPoint slide deck.

Presented by [Dr. Rick Brinkman](#), World Renowned Author & Communication Expert

Whiners and Snipers and Tanks, oh my! Everyone has experienced people acting in ways they can't stand. Dr. Rick Brinkman literally co-wrote the book on it: "Dealing with People You Can't Stand, How to Bring Out the Best in People at Their Worst." In his trademark entertaining, humorous style, he will show us how to use Conscious Communication® to successfully transform behaviors like: Whining, Negativity, Attacks, Tantrums, Know-it-alls, Think-they-know-it-alls, Sniping, and more. Dr. Brinkman says, "Communication is like a phone number, you need all the digits to get through and you need them in the right order. There is a strategy for each of the difficult behaviors that can transform them. It is just a matter of being a Conscious Communicator® and taking responsibility for the power you have to influence others."

Dr. Rick has performed over 4000 programs in 18 countries. He is the coauthor of six McGraw-Hill books, including his latest, "Dealing with Meetings You Can't Stand, Meet Less and Do More." He is frequently used by media as a communication expert and has been featured on CNN, the NY Times, O (Oprah Magazine) and the Wall St. Journal. His clients have included: The NASA Astronauts Corps, LucasFilm, The Dept. of Defense, Sony Pictures, The Federal Reserve, Adobe, Wells Fargo, Lockheed Martin, Boeing and many others.
